FVG SELECT MATCHMAKING

Meeting the right companies and people during an event is your number one priority. **FVG SELECT** will provide a matchmaking program. This on-line tool helps to facilitate business meetings to be arranged between exhibitors and visitors prior and during the event. In combination with the on-line tool an on-site service is offered that allows you to have the meeting in your booth or in one of the dedicated meeting rooms.

Last, but not least our consultants will contact you personally before the event to discuss how to make the best use of this program and which type of companies and people you would like to meet.

We will open up the service in March 2017; three months before the start of the event.

FVG SELECT COCKTAIL PARTY

A cocktail party will be held on the evening of Tuesday, 13th June giving exhibitors, delegates and visitors the opportunity to relax, socialize and network.

FVG SELECT INDUSTRY EXPO

The industry expo will allow for three options: a **SELECT PACKAGE** (9m²), a **PREMIUM PACKAGE** (18m²) and a **PREMIUM PLUS PACKAGE** (18m² plus Hospitality Suite of 42m²) during the two day event.

Only a select number of companies will have the opportunity to participate in the expo. Due to the size and floor load capacity there is no possibility to bring or display any machines.

The expo will take place in the adjoining hall to the conference rooms and this will also be the hub for lunch, coffee breaks, cocktail party and all networking activities.
